

VALLEY FORGE

The Greatest Name In Flags

Dear Valued Dealer of Valley Forge Flag Products,

We truly appreciate your business and the opportunity to provide you with the highest quality flags and accessories. Our team has been working diligently to meet your expectations and product needs in the face of challenging economic conditions.

Valley Forge, along with many other companies, continues to experience significant cost increases in our key raw materials, reduced labor availability and supply chain disruptions. As a result, we are increasing product pricing by 5% effective on all shipments after July 4th, 2022. This increase includes current in-house orders that have not been produced. A new price list reflecting these changes will be made available to you as soon as possible.

If you have any questions or would like a list of items you have on back order, please contact customer service via email at orders@valleyforgeflag.com or contact Jeff Shaaber or Steve Hartoin directly (contact info listed below).

Thank you,

Senior Management
